PRESIDENT'S MESSAGE

Carol Powell

The Board of Trustees met on January 4, 2021, to confirm officers and committee chairs. Regular meetings start on Monday, January 11, 2021, and hopefully, continue without any COVID interruptions twice a month for the balance of the year. We are looking forward to working together with a goal of returning our community to something resembling the *Lions Head South* that we all know and love.

Almost all of the committees are looking for additional members. We appreciate that without access to the clubhouse, it was more difficult to review what committees are available and to make decisions as to where you would like to become involved. A list of all of the Standing Committees and their Chairs appears in every issue of the *Pride*. Our website also provides helpful information for all of you who have online access. I would suggest that you call any Chair or any Trustee to discuss your interests and where you might be most comfortable helping. We encourage all residents to become involved. This is your home and it becomes even better with your input. As I look forward to getting to know our new Trustees better, I also look forward to meeting more of our residents as they join in.

I wish I had a crystal ball and could tell you when activities will resume and what will be open when. However, I obviously do not. Please be assured that we all want the same thing and we will continue to work toward reopening as many activities as possible, as it becomes safe to do so and the legal requirements are met.

In the interim, with winter upon us, stay warm, stay safe and most importantly, stay well.

Susan Mills

Hello my LHS friends. Winter is in full swing. Is it cold enough for you? Usually, we have to adjust to staying inside and being less social. This year we are very much accustomed to that status. Whether the groundhog sees his shadow or not, a long winter is ahead of us.

Valentine's Day is a time to share and show our love to those special people in our lives. Hearts symbolize this sentiment. In many cases hugs and kisses are off limits. This year the message is expressed by using our two pointer fingers and our thumbs to make a heart.

We also celebrate Presidents' Day. Recognizing and honoring past presidents are easy to do. However, present day politics contain ambiguous messages, making it more of a challenge to absorb. At least we are home and have plenty of time to ponder over our thoughts.

I usually encourage our residents to go outside, enjoy nature, take a walk and perhaps say hello to one another. During Winter, icy sidewalks, gusty winds, and cold temperatures discourage these types of activities. Instead, I suggest hot chocolate or a cocktail, and some yummy comfort food. Watch a movie (or several), read a book and escape into the world depicted within its pages, or just sit back and relax in your comfortable home here at Lions Head South.

Stay safe. Be well. God Bless all of you.

CLUBHOUSE COMMITTEE

Rose Saputo

I suspect I wasn't the only one happy to put the year 2020 behind me. January of another new year has come and gone. Although we have not yet opened our Clubhouse, our prayers for COVID-19 vaccines have been answered sooner than later. New hope has dawned like a long awaited beautiful sunset.

Now we can look forward to a new year within which to have new hopes, dreams, experiences and make new memories. Welcome 2021, where the possibility of seeing each other again socially may be in our very near future.

May God bless you all.

Have a HAPPY VALENTINE'S DAY!!

BYLAWS COMMITTEE

Clara Ciuffo-Clarke

The Bylaws' Committee is re-energizing and we are looking forward to our first meeting in February 2021. I have requested meeting space for the second Thursday of each month at 11:30 a.m. and will let the members of this committee know definitely after the ratification of committee chairs and members in January.

Thank you to the seven brave people who have volunteered to serve with me on this committee. It is not an easy one, but our life here in Lions Head South depends on our Bylaws and Rules & Regulations to keep our community as one to be proud to live in and enjoy. Please support us in our endeavors. No looking back – we cannot change what happened in 2020, only hope for a brighter tomorrow. Here's to the best year ever!

Due to COVID-19 and the apparent delay in the vaccination program, we do not anticipate any group events, other than Scrambles, prior to summer. We will get any and all events back on schedule once it is safe to conduct them.

The final drawing for the LHCC 20/20 Raffle and the Free Membership Raffle were held on December 7th. The 20/20 Raffle awarded a total \$1,050.00 for the final drawing to Joyce Speziale \$400.00, Sandy Hamaydi \$300.00, Betty Bozzetti \$200.00, Judy Murray \$100.00 and Micky Dunne \$50.00. Over the 20 weeks of the 20/20 Raffle, \$2,950.00 was awarded to the winners. The LHCC Free Membership Raffle was won by Lee Scaturro. Congratulations to all of our winners. We appreciate everyone who participated in these fund raisers.

Peg Comfort has been assigned by the Board of Trustees as the LHCC liaison. We look forward to working closely with Peg for the betterment of our community and the golf course.

As Dennis Gregory has moved on to the Board of Trustees, we have been fortunate to have Marjorie Kennedy step forward to take his job as the LHCC Treasurer. Dennis, we appreciate all you have done for us over the years and wish you well on the Board. Marjorie, we are looking forward to working with you as our Treasurer and welcome your addition to the LHCC Board of Directors.

The annual Polar Bear Shoot-out was conducted on December 31st, not exactly polar bear weather, 50 degrees, and we got lucky as the rain held off for the event. We had a good turn-out, 25 players, and a fun time was had by all. I appreciate the assistance of Ed Gregersen, Jack Cummings and Lee Scaturro. Also, a thanks to Brian Halm for getting a presentable picture, with names of the participants in the shoot-out.

As indicated in last month's Pride, the golf course will be open in January and February, weather permitting, but the operating hours will be 11AM to 4PM.

During the month of December, our Superintendent has been on vacation and some of the general maintenance has been lacking. It was greatly appreciated to have Tom Nevins step forward and volunteer to assist with this needed maintenance. The greens were cleaned prior to the Polar Bear Shoot-out and Tom has made himself available during the winter months to ensure the greens are clear and playable. Also, Tom has continued with his outstanding golfing in that he had rounds of 24 and 29 on January 2, 2021. Tom, I appreciate your assistance on the course and keep up the great golf.

On a note of sadness, we offer our heartfelt condolences to Russ Casella and his family over the loss of his son, Russell. You and your family are in our thoughts and prayers.

WEBSITE COMMITTEE

Peter Brenman

The Lions Head South website still continues to be the primary source of activity happenings at LHS. We strive to stay on top of changes, but can only do so much. When chairpersons alert the website with new events, we will post that information as soon as possible. Keep the website active with current info for our LHS residents' benefit.

SNOWBIRDS

If you expect to be away from the community for the winter months, please make the arrangements to have the *Lions Pride* which includes the Newsletter mailed to you. The Board and Standing Committees continue to work all year long on your behalf. It is important to keep up with events here. If you decide not to have the publications mailed, let the office know you will be leaving so that the Newsletter and Pride won't be left in your door. Likewise, when you return in the spring, please inform the office so that delivery will be resumed to your door.

LHS Men's Club

Beaverson Boulevard Cleanup
 December 2020

Once again, in keeping with their community-minded commitment to the town to keep Beaverson Blvd. free of trash, members of the Men's Club braved a very chilly December morning to do so. Thanks to (l-r) Rich Szymanski, Tom Linkin, Ed Bischoff and Jim Mort (taking the picture). Great job! But, they could have used more help guys!

LHCC POLAR BEAR SHOOT-OUT - 2020

On December 31, 2020, 25 LHCC Members braved the elements at our Annual Polar Bear Shootout. As you can see we struggled to maintain social distancing (which makes it difficult to identify all, but here goes): Front: L-R Joe Bivona, Pete Manco, Chuck Florio, Marjorie Kennedy (with sign), Phil DeCarlo, Pat Whyte, Carolyn Hickie and Peter Brennan; 2nd Row L-R (sort of): Greg Flynn, Tom Nevins, Tony Bruzaitis, Joe Bill, Eileen Ross and Dave Wilson; Back Row L-R (also sort of): Russ Casella, Brian Halm, Bill Carter, Gerry Byrnes, Dennis Gregory, Don Jacquin, Frank Murray and Blane Caposello. Seated at the table L-R: Jack Cummings, LHCC VP and Ed Gregersen who organized teams. Our LHCC President, Jim Mort took the picture. Temperature was a not-so-chilly 50°.

RECREATION COMMITTEE

Bill Hamaydi

The Coronavirus has kept our clubhouses and gym closed. There are many rules and regulations that we have to follow to reopen. I've been working closely with the trustees to come up with a plan to accomplish that. I have a plan and volunteers to open up the buildings. Also, as I'm writing this a vaccine for the viruses is available. Hopefully, that will be a game changer to open things up sooner.

On the brighter side, we will have bocce this summer. Sign up will be in April and play will start in May. I will be giving you updates as they happen. That's all I have for now. Everyone be safe.

SOCIAL COMMITTEE

Debbie Holzherr

The Social Committee would like to wish everyone a Happy New Year. Thank You for all the wonderful feedback we received about the Holiday Parade. We plan to make this an annual event and hopefully expand on it in 2021.

Although we have not been able to plan any indoor events as of yet, we hope that we will be able to start holding events sometime this year. Until we can resume normal activities in the clubhouse, we will continue to discuss plans for more outside activities like the Oktoberfest in the warmer months.

All the best for good health.

SECURITY COMMITTEE

Bill Powell

After three years as the Chairman of the Security Committee, I decided it was time to step back. Mrs. Deborah Ewtushek took over the Committee effective with the new year. She is excited about her new role and I look forward to working with her as a member of the committee.

I believe that our group was able to make progress with keeping Lions Head South a safe and pleasant place to live. There are still things to be done, and with the cooperation of our residents and all of our committees, the community will continue to provide an ideal environment to meet the needs of all of our residents.

I would like to thank the team that made up the Security Committee for the past three years: Judy Conway, our Secretary, Rose Szpara, Rosemarie McLoughlin, Joyce Speziale, Lori Bigley and Charlene Czajkowski. Of course, we can't forget John Constantino, whom we lost to this horrible COVID-19 early on. It was an honor to work with each of these individuals. I have had the pleasure of working with three separate Board Liaisons: Laura Jacquin, who patiently taught me the ropes the first year I chaired the committee, Chuck Florio and most recently Barbara Skelly. I would like to extend my personal thanks to each of them as well.

LHS WOMEN'S CLUB

Clara Ciuffo-Clarke

To all of you ladies, especially those who have been asking about the LHS Women's Club, YES, we do still have a social club – albeit one with a very shaky start. Hopefully, you are all still waiting to hear when, just as I am. And hopefully, the wonderful volunteers from our first – and last – meeting in 2020, are still interested, especially the chairpersons and their committee members. We have penciled in dates in the LHS Calendar, but we must wait until we get an “all clear” for using the clubhouse to hold larger group meetings. Those dates will be starting in February 2021. The officers and chairs will meet on the second Thursday of each month at 12:30 pm and the Women's Club is scheduled for the third Wednesday of each month. Watch the LHS Calendar and look for notices in the Pride.

Please pray that the vaccine antidote works and the spread of this horrific virus is ended so we can resume our normal lives. In the meantime, hang in there, think about things that could be, reach out to your friends and neighbors socially by phone or a wave when you are out walking. My email account is still claraciuffo@gmail.com and my phone numbers are in the book. I am waiting to hear from you. Oh – and a HAPPY HEALTHY NEW YEAR TO YOU ALL.

MEN'S CLUB

Tony Bozzetti

Happy New Year to one and all! Here's hoping 2021 brings health and happiness as we all work together to control this terrible virus. The Men's Club's sole fund raiser in 2020 was the Mega 50-50. Thanks to the participation of so many members, homeowners and families, it was a tremendous success. Men's Club fund raisers are used for community-minded events and to support the annual Christmas Gala (which hopefully will return this year). The drawing for the Mega event was made on the front porch of the Club house on Monday, December 21st with a number of bystanders observing. The runner-up prize of \$275 went to Don Antonelli, with the Grand Prize of \$1,090 going to Deb Ferenc. Congratulations to the winners.

Just a reminder, past members will pay no dues for 2021 because the club was unable to function when it came to providing lunches and the Christmas Gala.

GARDEN CLUB

Carmela Ferraro

Woo-hoo! Winter is almost gone. The good news is that with February comes the hope of spring. Our gardens will be coming alive shortly. And after this long winter, if you're like me, you just can't wait to get seeds started and begin preparing for outside.

Seed and nursery catalogues will be arriving soon. While reviewing, don't forget to look for plants with improved insect and disease drought tolerance. Order plants and seeds now to be ready when the ground thaws. You might also want to start some herbs indoors such as parsley or basil to get a head start.

With all our thoughts of spring and outside gardens, don't forget we still have to check our inside plants.

If you received a poinsettia for Christmas, hopefully, you have managed to keep it alive until now. Give it at least 6 hours of abundant light. Maintain temperatures that are comfortable to people. Underwatering will cause leaves to wilt and shed. Overwatering will cause roots to die. So be careful and check frequently. Wait till night temperatures are consistently at least 55 degrees before planting outside in full sun with good drainage. They are a lovely shrub-like plant outdoors, but they will not survive our winters and must be brought inside if you want to keep them. You might even get them to bloom again. But be forewarned, it is a long procedure that requires much patience. Easier to buy a new one next year.

Amaryllis aftercare: Remove spent flower after blooming. Set the plant in a bright sunny window to allow the leaves to fully develop. Keep the soil evenly moist not soggy. Fertilize occasionally with a general-purpose houseplant formulation.

Some additional February Hints:

- Continue to inspect indoor plants for insects such as Spider Mites which cause leaf wilt with spider webs or Whitefly which are small, white insects on underside of leaf. Spray with insecticidal soap, if needed.
- Start to fertilize houseplants on a regular basis with a water-soluble fertilizer prepared at half strength until growth is healthy.
- Remove diseased or damaged limbs from trees and shrubs. Leave more severe pruning for March.
- Bring Spring into your home a little early with branches of forsythia, pussy willow and quince brought inside to force bloom.

Our first meeting of the new year will be Wednesday, March 10, at 10:30 AM, hopefully, in the Lion's Den, COVID-19 permitting. Stay safe, hope to see you there.

Welcome New Homeowners!

**Lions Head South
Association, Inc.**

ARCHITECTURAL
COMMITTEE

When you joined our community, you signed an agreement to abide by the Bylaws of the Lions Head South Association. As a new member of our community, you should have received a copy of these Bylaws which include the Rules and Regulations that govern us all. If you did not receive a copy, one can be obtained from the Administrator's office in the clubhouse. There are certain things contained in the Architectural Section of these Bylaws that pertain to the exterior of your new home. Please read these carefully. Below are outlined just a few of these Bylaws which should be of interest to you. Specific details are covered in said Bylaws.

Exterior Modification:

Any changes to the home such as Windows, Doors, Siding, Roofs, Soffets, Patios, etc. **REQUIRE AN APPLICATION WHICH MUST BE APPROVED BY THE ARCHITECTURAL COMMITTEE.** Applications are available from the Association Office in the Clubhouse.

Trees & Tree Trimming:

All homes are required to have at least one deciduous tree on the street side of the dwelling. Minimum height is 5 feet. Bylaws contain a list of approved tree types. Planting of these trees is **HOMEOWNER RESPONSIBILITY.** The trimming/pruning of trees and shrubs adjacent to your home is also your responsibility. This includes trees in back of the home separating you from your neighbor - this is not common ground, but is considered "green area". All trees/shrubs in the green area are your responsibility. Once again, see the Bylaws for details.

Garbage/Recycle Cans:

The Bylaws provide specific guidelines as to when these items can be put out for collection; and when they must be removed. **PLEASE NOTE: All Garbage/Recycle containers must be stored inside the garage when not out for collection.**

Air Conditioners:

All the homes in our community have central air conditioning systems. **WINDOW OR THRU-THE-WALL AIR CONDITIONERS ARE NOT PERMITTED.**

The purpose of the Architectural Committee is to maintain the appearance of our community. None of the Bylaw requirements are overly restrictive, and many homeowners have completed extensive remodeling projects within the guidelines provided by these Bylaws.

MARDI GRAS/ SHROVE TUESDAY

The Old Farmer's Almanac

Mardi Gras is French for “Fat Tuesday” - Feb. 16, 2021, the final feasting before the fasting of Lent, which begins tomorrow, Ash Wednesday. Fat Tuesday is also called Shrove Tuesday, a name that comes from the practice of shriving - purifying oneself through confession--prior to Lent. Many of the names applied to this day relate to food and eating.

In many Latin countries, Mardi Gras is the culmination of the carnival season of revelry and feasting. (Carnival from the Latin *carne* levare, means to take meat away.) Among the Pennsylvania Dutch, this Tuesday is Fastnacht (fast night), and everyone enjoys the traditional fastnachtuchen, a rectangular doughnut with a slit in the middle. For the English, Shrove Tuesday is also called Pancake Day, as they use up the cooking fats that are forbidden during Lent.

CANDLEMAS/GROUNDHOG DAY

The Old Farmer's Almanac

It's no accident that Groundhog Day and Candlemas are celebrated together Feb. 2, 2021, for both signify the triumph of light over darkness, spring over winter. Candlemas was originally a Celtic festival marking the “cross-quarter day,” or midpoint of the season. The Sun is halfway on its advance from the winter solstice to the spring equinox. The Christian church expanded this festival of light to commemorate the purification of the Virgin Mary and her presentation of the infant Jesus in the Temple. Candlelit processions accompanied the feast day. Since the traditional Candlemas celebration anticipated the planting of crops, a central focus of the festivities was the forecasting of either an early spring or a lingering winter. Sunshine on Candlemas was said to indicate the return of winter. Similarly, “When the wind's in the east on Candlemas Day, there it will stick till the second of May.”

For centuries, farmers in France and England looked to the bear, while those in Germany looked to a badger for a sign. In the 1800s, German immigrants to Pennsylvania brought their Candlemas legends with them. Finding no badgers there, but lots of groundhogs or woodchucks, they adapted the New World species to fit the lore. Since 1887, that lore has grown into a full-blown festival, with Punxsutawney Phil presiding. For all things groundhog, visit the folks at Punxsutawney and see what Phil is predicting this year.

A TOUCH OF CHRISTMAS

Chuck Florio

During these tough times with our Christmas spirit dampened, the Social Committee put together a Christmas parade that showcased decorated cars, music playing, and, of course, Santa. As I drove around, I yelled out the window “Merry Christmas” to all the residents. It lifted my spirits to see all those who came out to support the Social Committee.

I would enjoy seeing this type of event happen again next year. Debbie and her committee did a great job and to all the residents that participated, job well done.

PRIORITY FOR DRIVEWAY SNOW REMOVAL

As we approach another winter season, we again find it necessary to clarify who qualifies for the Priority Snow Removal list for 2020-2021 winter season. A new request is required every season.

For those who qualify, please submit your request to assure that you will be placed on the priority list. To qualify, a resident must require regular life-sustaining medical treatment, such as chemotherapy, radiation, or dialysis in or outside the home.

A "heart condition" does not qualify. Your request must be accompanied by a **physician script/note** which specifies that life-sustaining treatment for any of the conditions outlined above is necessary. Hand written notes are unacceptable. All information will be kept by the administrator and will be confidential.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician. Please respond as soon as possible as the winter season will be here soon.

Your need to go to work does not qualify for priority snow removal. For this purpose, we suggest you make advance arrangements with a private contractor for snow removal.

The township will cooperate by plowing our roads so that our contractor can begin work. Of course, the town will continue to respond to any serious problems during storms.

ALWAYS CALL 911 FOR ANY MEDICAL EMERGENCY

Please be sure to keep on hand extra supplies of medications and food, so there is no need to leave the house during, or immediately after a snowstorm. The weather predications generally provide ample warning time for making preparations.

KIRMS PHOTOGRAPHY

Aperture, Shutter, Program

This month we'll discuss controlling the exposure for a desired effect. Most cameras have a mode dial with many settings including aperture, shutter, and program priority. But which should you use and why. For a pleasing overall effect and even exposure you can use the program or auto mode and let the camera make the decisions for you. We'll discuss Aperture and Shutter priority in the coming months.

In Auto mode the camera makes all the decisions for you. You frame your shot, focus, and push the shutter button. this will work well in most situations and give you a pleasing image.

In Program mode the camera will make most of the decisions for you. You can still choose to over and under expose and control whether to use the flash, among other things. this gives you more control of your image and can come in handy in tougher photographic situations.

If you're new to photography, I suggest you start with Auto and move to Program when you feel more comfortable making some changes. After you've mastered these modes it may be time to go to Aperture or Shutter priority.

As always you can email to bill@kirmsphotography.com with any photographic questions. You can visit my web site www.kirmsphotography.com if you'd like to see more of my images. Keep shooting and improving your images, but most importantly, have fun with your camera.
